

# 15<sup>th</sup> Asia Pacific Cardiology Update@USM 2024

## 18<sup>th</sup> October 2024 (Friday) Day 1

|             | ECG MASTERCLASS   | ECHOCARDIOGRAPHY WORKSHOP  |
|-------------|---|--|
| 0715 – 0800 | Registration  |  |
| 0800 – 0820 | Recent understanding of arrhythmia mechanisms.                        | Basic ECHO techniques and knobology.   |
| 0825 – 0845 | When to refer patients with PVC?                                      | Restrictive VS Constrictive.   |
| 0850 – 0910 | Juvenile ECG Patterns.  | Assessment of Right Ventricular Function.  |
| 0915 – 0935 | Revisiting MI ECG mimickers.  | GUCH assessment.   |
| 0940 – 0955 | Q & A with experts  |  |
| 1000 – 1040 | Morning Symposium 1   | Morning Symposium 2  |
| 1045 – 1105 | When PACs are Significant?  | Infiltrative Heart Diseases.   |
| 1110 – 1130 | Guided ECG Teaching Session 1   | Basics of TOE.   |
| 1135 – 1145 | Q & A with experts  |  |
| 1145 – 1245 | Afternoon Symposium 1   | Afternoon Symposium 2  |
| 1250 – 1415 | Friday Prayer/ Break/ Booth Visit                                     |  |
| 1420 – 1445 | Guided ECG Teaching Session 2   | Hands-On Echocardiography session.<br>Demo on mannequin for TOE<br>- Basic ECHO techniques.<br>- Intermediate-level echo assessment (colour Doppler, TAPSE, MAPSE, strain pattern, diastolic function) |
| 1450 – 1550 | Evening Symposium 1   | Evening Symposium 2  |
| 1555 – 1800 | ECG Quiz & Prize giving ceremony.<br>All speakers.<br><br>Booth Visit | Hands-On Echocardiography session.<br>Demo on mannequin for TOE<br>- Basic ECHO techniques.<br>- Intermediate-level echo assessment (colour Doppler, TAPSE, MAPSE, strain pattern, diastolic function) |
| 2000 – 2100 | Faculty Dinner  |  |

## 19<sup>th</sup> October 2024 (Saturday) Day 2

|             |  |   |                   |
|-------------|--|---|-------------------|
| 0800 – 0825 | Plenary Lecture: Bridging the Gaps in Cardiovascular Research & Management |   |                   |
| 0830 – 0955 | Opening Ceremony<br>Booth Visit by VVIP                                    |   |                   |
| 1000 – 1040 | Morning Symposium  |   |                   |
|             | <b>MAIN SYMPOSIUM</b>  | <b>SATELLITE SYMPOSIUM</b>                        |                   |
| 1045 – 1110 | <b>Heart Failure Symposium:</b>  | <b>CV Risk Symposium 1:</b>                       | Oral Presentation |
|             | Is there anything new after ARNI in heart failure?                         | Latest updated protocol for T2DM management.      |                   |
| 1115 – 1140 | Are we ready for SIRNA in cardiovascular medicine?                         | Is it the drug or BP lowering that ↓ CV risk?     |                   |
| 1145 – 1210 | Role of catheter ablation in heart failure with AF.                        | Accessibility of new antidiabetics in Malaysia.   |                   |
| 1215 – 1240 | Q & A with experts   |   |                   |
| 1245 – 1345 | Afternoon Symposium 1  | Afternoon Symposium 2                             |                   |
| 1345 – 1400 | Booth visit  |   |                   |
| 1400 – 1420 | <b>Coronary Symposium:</b>   | <b>CV Risk Symposium 2:</b>                       | Oral Presentation |
|             | New definition in coronary syndromes.                                      | Are we under-diagnosing Familial Hyperlipidaemia? |                   |
| 1425 – 1445 | Risk stratification of CCS.  | SiRNA vs MAB in dyslipidaemia.                    |                   |
| 1450 – 1510 | How to achieve the targeted time frame in STEMI.                           | Unmet needs in reducing CV events.                |                   |
| 1515 – 1535 | Q & A with experts   |   |                   |
| 1540 – 1640 | Evening Symposium 1  | Evening Symposium 2                               |                   |
| 1645 – 1730 | Rapid Fire Quiz Session<br>Prize Giving Ceremony<br>Booth Visit            |   |                   |

## 19<sup>th</sup> October 2024 (Saturday) Day 2

### FELLOW

|             |  |
|-------------|--|
| 1045 – 1100 | Registration                           |
| 1100 – 1125 | Pre requisite for PCI.                 |
| 1130 – 1155 | Basic principles of EP.                |
| 1200 – 1225 | Knowing your coronary guidewires.      |
| 1230 – 1255 | Appreciation of IVUS & OCT.            |
| 1300 – 1355 | Afternoon Break                        |
| 1400 – 1425 | IVL / rota / OAC.                      |
| 1430 – 1455 | Techniques for CSP.                    |
| 1500 – 1525 | Techniques for IAS Puncture.           |
| 1530 – 1545 | Evening Break                          |
| 1550 – 1630 | Hands-on Session (Demo Set)            |
| 1700 – 1900 | Angio Club                             |
| 1900 – 2000 | Fellow and Faculty Dinner<br>Venue TBA |

## 20<sup>th</sup> October 2024 (Sunday) Day 3

|             |  |
|-------------|--|
| 0800 – 0820 | Women Health Symposium:<br>Management of Ischaemic Heart Disease in Pregnancy.         |
| 0825 – 0845 | Role for CV prevention in postmenopausal women.  |
| 0850 – 0910 | Significance of PVC in young ladies.   |
| 0915 – 0930 | Q & A with experts   |
| 0935 – 1015 | Breakfast Symposium  |
| 1020 – 1040 | GUCH Symposium:<br>Cardiac Pulmonary Hypertension Management: Respiratory Perspective. |
| 1045 – 1105 | Should all GUCH cases be referred to tertiary hospitals?                               |
| 1110 – 1145 | Q & A with experts   |
| 1150 – 1250 | Afternoon Symposium  |
| 1255 – 1330 | Rapid Fire Quiz Session<br>Prize Giving and Closing Ceremony<br>Gala Lucky Draw        |
